Work Experience

Trans States Airlines, St. Louis, MO **2018-Current**

First Officer on the EMB-145 aircraft at Trans States Airlines based in Chicago O'Hare. Completed a fixed wing transition course, quickly adapted to the 121 world by completing the TSA curriculum efficiently and successfully. Diligently follow company standard operating procedures while also offering a high level of customer service. Continuously demonstrates a positive attitude and eagerness to improve upon my abilities as a pilot and leader.

Bristow Academy, Titusville, FL **2016-2018**

FAA flight instructor at Bristow Academy. Continuously creating and monitoring the schedules and progress of multiple clients while providing a safe, efficient, and effective flight training regimen for students at all levels of flight training. Provided flight instruction in both the Schweizer 300CBi and Robinson R44 on a daily basis. Averaging 60 flight hours per month due to a diligent work ethic and strong motivation to succeed in the aviation industry.

Bristow Air Center, Titusville, FL **2014-2015**

Customer service representative for the Bristow Air Center FBO. Provided concierge services, fuel services, and performed various office duties while enrolled full time in the Bristow Academy professional pilot program. Only student working for the organization while enrolled in course studies.
